### OUR STORY

City Bakery started as a local, wholesale artisan bakery, founded in 2007 by owner Michael Bortz, a third generation chocolatier. At City Bakery, we start mixing and baking bread every day at 2am. Our goal is to have the best bread in Colorado and we're sacrificing a little sleep to get it done right. We take great pride in producing some of the highest quality bread and desserts in Denver and all along the front range. We have earned our reputation by partnering with some of Denver's best local restaurants. We've received *Westword's* "Best Bread in Denver" award on multiple occasions. Our Cafe now gives us the opportunity to showcase our artisan breads and high quality baked goods to everyone! At City Bakery Cafe, we believe a great sandwich starts with the bread! We hope you enjoy!
